*von Hagge*

von HAGGE, SMELEK & BARIL

Is Arenas Private Golf and Foresterie Boutique Resort resides in a richly storied land and in an exceptional natural landscape, constantly and meticulously nurtured, protected and preserved.

Is Arenas golf course has a distinct layout with a beautiful design that provides an exciting experience for all level players. The 18 hole par 72 golf course has been designed by the international acclaimed American architects Von Hagge, Smelek & Baril. Total of 6.300 mt with a different landscape for each hole and framed by a pine and juniper tree forest. The golf is enriched by a charming and technical 3-holes par 3 executive course, a driving range with sheltered bays, a putting green and a pitch and putt area. Players staying at Is Arenas Private Golf Foresterie Boutique Resort enjoy exclusive green-fee offers and priority tee-times. Is Arenas golf course has received numerous awards: in 2001 recognition as the Best New Italian Golf Course and is currently ranked at 16th place in "The 20 most beautiful Golf Courses in Italy" by the Il Mondo del golf magazine.

In 2012 it received a prestigious recognition by the Rolex Guide with the highest score awarded to Sardinia golf courses and ranked 5th place among all Italian golf courses. In 2013 Is Arenas golf was the first course in Italy to achieve the prestigious European environmental certification "Geo on Course" from the Golf Environment Organization.

# IS ARENAS PRIVATE GOLF AND FORESTERIE BOUTIQUE RESORT EXPERIENCE

Is Arenas Golf Course is designed by World renowned Architect Robert von Hagge and finds its natural belonging among the beautiful landscapes and wild lands of the Italian Sardinia island in the Mediterranean sea. The golf course is surrounded by a seven hundred hectares private forest of majestic and scented pine and junipers trees and 5 km of wild beach and sand dunes. Every hole landscape is different and thrilling. Due to its incredible nature fully preserved and protected Is Arenas is an European SIC – Site of Community Interest. The surrounding area is full of history, witnessed by the presence of valuable archeological sites. There are many turistic itineraries which allow to discover, within a few hours or a full day, a fantastic heritage of culture, places, views and customs. Thanks to its agricultural tradition and the presence of various activities such as hunting and fishing, food and wine are just superb. Is Arenas Private Golf Resort provides to all guests a unique holiday experience that combines peace, comforts, excellent food and first quality services. Golf carts are available to be rented for the all day to move around the resort to easily reach the golf course, the private beach and Degli Ulivi Restaurant to have lunch or dinner. The 18 hole golf course par 72 is among the most spectacular European golf courses. The mild winter and the mediterranean summer, spring and autumn climate allows the golf course to be open all year long. Is Arenas is a private golf course which guarantees that everyone can play with no rush and no crowd. Our guests can attend the weekends competitions challenging themselves with the golf course or have tee-time easily booked for any time by our secretariat even during competition's days. The golf course, the practice facilities and the b&b or half and full board accomodations are perfect for hosting private competitions and golf clinics also with pro coming with their groups of players. Our staff is always available to organize private challenges and friendly competitions. Our taylor made services make Is Arenas Private Golf and Foresterie Boutique Resort the ideal place for an exclusive holiday with high level life style, the resort hosts a maximum of 40 guests. All our staff has many years of experience and is pleased to satisfy all the guests requests and needs. You will find first class ospitality in different kind of accomodations. Foresteria degli Ulivi, Foresteria La Colonna and the Golf Houses I Ginepri sul Golf are right next to the golf course, surrounded by the woods and with an incredible scenery. All our accomodations have living and dining rooms facing patios outlooking the beautiful gardens. Foresteria degli Ulivi and Foresteria La Colonna offer luxury bed & breakfast or half and full board accomodations and can also

be fully privately rented including cooking and butler 24h services. The Golf houses I Ginepri sul Golf are country style and indipendent accomodations ideal for golfers and families. The food department is run by an international renowned Sardinian Chef who welcomes players and guests with a wide range of traditional cousine based on local products. The Chef will be delighted to welcome the guests in the kitchen for cooking classes of traditional Sardinian recipes. Is Arenas has a private Beach Club where our guests can enjoy sunbathing, crystal clear sea, quick lunches and drinks. Guests can also enjoy long walks in the woods or on the beach, horse riding, biking and much more. The Resort is located on the central west coast of Sardinia island and it is easily reachable from Cagliari, Alghero and Olbia airports. Transfer for and from airports can be arranged with a luxury van.

# LODGING

## FORESTERIA DEGLI ULIVI

Luxurious and elegant La Foresteria degli Ulivi is surrounded by centenarian olive trees. The iconic Foresteria degli Ulivi is built with precious local materials. The warm color of the stonewalls, built following the ancient tradition "a secco", is inspired by the local sand dunes. The tiles that decorate both floors and walls are locally handcrafted. The furniture is handmade in local chestnut hand curved wood and the interiors are beautify by design elements made with wood recovered from the seashore. The building has many indoor and outdoor living spaces and each room has its own unique layout. Foresteria degli Ulivi is conveniently positioned at 800 mt from the sea and 300 mt from the tee of hole One and can host up to 8 golf players. Guests can choose between two large double bedrooms with terraces facing the garden, the family suite (one double bedroom interconnected with a twin bedroom) and a small "cosy" double bedroom located at the ground floor, perfect to host golf professionals during the golf clinics. All the rooms have air conditioning, heating, satellite TV, WI-FI, mini bar and safe. A tasty breakfast of local fine food is served every morning in the dining room and in its patio to the guests of Foresteria degli Ulivi as well as to the guests staying at La Palma. The small restaurant located in La Foresteria degli Ulivi makes this unique Foresteria comparable to a luxury "Boutique Hotel". La Palma is a separate residence located nearby. La Palma is your home away from home, with two charming double bedrooms, a dining room with small kitchen and two private patios facing the garden. It's a unique residence that will provide guests a memorable relaxing holiday.

# FORESTERIA DELLA COLONNA

Overlooking Hole Five the luxurious Foresteria La Colonna has many large indoor and outdoor living spaces and panoramic terraces with garden and golf course view. The guest house has four double bedrooms facing a large terrace at the first floor, two single bedrooms facing the garden at the ground floor and an independent Family Suite with two large double bedrooms and a private patio. The complex is surrounded by a magnificent garden. La Colonna can host up to 12 guests. Rooms have all the comforts and the Foresteria has panoramic terraces from which you can admire the golf course, the pine forest and the surroundings. A fine food selection breakfast buffet is served in the dining room and in its patio with a fabulous golf course view. Foresteria La Colonna can also be fully rent as a luxury private Villa with a 24h cooking and butler service. Guests can rent their private golf carts for the all day to reach the golf course, the beach and the small restaurant located at Foresteria degli Ulivi.

# GOLF HOUSES I GINEPRI SUL GOLF

Golf Houses provide guests an easy country style living. Perfect not only for golfers who want to stay close to the golf course but also for families. Completely furnished in typical Sardinian style, Golf Houses are terraced houses with one or two bedrooms, living room with open kitchen, bathroom, patio and a small garden. Guest can enjoy cooking in the Golf Houses or have lunch and dinner at the Foresteria degli Ulivi Restaurant. Guest can choose between only breakfast kitchen use and all meals kitchen use. For all meals kitchen use in self catering a daily cleaning service is included. With only breakfast kitchen use laundry service for bed sheets and towels is every three days and daily cleaning services is upon request. All the Golf Houses have air conditioning, heating, satellite TV and Wi-Fi. Guests can rent their private golf carts even for the all day to reach the golf course, the beach and the small restaurant located at Foresteria degli Ulivi.

# IS ARENAS GOLF BEACH CLUB

Is Arenas owns one of the most impressive beaches of Sardinia. Is Arenas land once upon a time was a desert of more than 3000 hectares, around 1950 the pine forest was planted in order to preserve the sand dunes from wind. In summer time Is Arenas offers a private beach service.

Is Arenas Golf Beach Club is a private space reserved for our guests among the 5 km of sand beach. The sea is crystal clear and water temperature very pleasant. The private beach is equipped with beach chairs and umbrellas.

Quick lunch and sunset drinks are prepared by our Beach Bar. Guests can easily reach the beach by foot, bicycle or golf cart.

Degli Ulivi Restaurant welcomes its guests offering traditional cuisine based on local products. Guests can request special menus tailored to their personal needs. The Chef will be delighted to welcome you in the kitchen for cooking classes based on the oldest traditional Sardinian recipes. Within half an hour drive there is a large choice of typical restaurants open all year long and some important wine producers to be visited. Sardinia pays a lot of attention to food and wine tradition, every meal is an extraordinary Gourmet experience. Typical dishes are part of the deep culinary culture that is handed down from generation to generation. So, whatever you play golf or not, a trip to Is Arenas is essential for the extraordinary gastronomic adventure awaiting you.

# DEGLI ULIVI RESTAURANT

# IS ARENAS FOOD & WINE

The surroundings areas and lands are rich of history with many itineraries to discover and lot of interesting archeological sites. Is Arenas is located in the Sinis Peninsula and just few minutes from the old Chartaginian city of Tharros. Tharros is the oldest

architectural vestige of the Christian era on the island. It was founded by the Phoenicians between the 8th and the 11th century B.C. and than went under Roman domination. The first settlements in the Sinis Peninsula date back more than two thousand years ago. In this area the Nuraghi civilization left its mysterious and impressive architectural mark. Food and wine are excellent and precious for tradition maintaining due to the centenary presence of farmers, fishermen, hunters and wine experts. Sinis territory is famous for its magnificent landscapes and uncontaminated
