ROBERT VON HAGGE
18 HOLES PAR 72
GOLF COURSE

The 18 holes par 72 golf course, designed by the world renowned architects Robert Von Hagge, Smelek & Baril, is ranked among the most spectacular golf courses in Europe by the prestigious international Rolex guide. Total of 6300 meters, with a different landscape for each hole, framed by a pine and juniper tree forest, the golf course takes you into the heart of more than 1100 hectares of untouched wilderness. Draped across a sumptuous landscape the 18 holes course offers abundant rewards for stylish play, astute strategy and proper execution. Every hole is different and thrilling. The executive course 3 holes par 3 and the driving range complete the golf facilities. In 2013 Is Arenas Golf was the first course in Italy to achieve the european environmental certification «Geo on Course» from the Golf Environment Organization. Is Arenas golf course has received numerous awards: ranked at 16th place in «The 20 most beautiful golf courses in Italy» by the Mondo del Golf magazine, currently it's also ranked 1st of Sardinia and 13th of Italy by Top 100 golf courses international ranking.

IS ARENAS PRIVATE GOLF AND FORESTERIE BOUTIQUE RESORT EXPERIENCE

Is Arenas Private Golf and Foresterie Boutique Resort is a unique resort located on the west coast of Sardinia Island. The Robert Von Hage 18 holes par 72 golf course is a private course. Limited players have access to the golf course therefore the course is never crowded and there is no need to book a tee-time to play. Playing golf in Is Arenas, in the middle of nowhere, it's a unique experience: you play alone with nobody behind you and with no waiting time, you will never see players in front of you.

Is Arenas golf course, deeped into the pinewood with its five kilometers of sand dunes and its uncontaminated beach, exists in complete respect and harmony with one of the largest forest in the Mediterranean area, Site of European Community Interest. The mission of the property is to honor and enhance one of the most beautiful landscapes Sardinia has to offer. The pine forest was planted in the 1950's to protect the natural sand dunes from trade winds which still frequent the area and contribute to the golfing challenge and experience.

The climate is always temperate allowing a comfortable golf experience in every season: the pine forest offers protection from wind during winter time and from high temperatures during summer time.

Is Arenas Private Golf and Foresterie Boutique Resort hosts only 40 guests in a very exclusive way. The Foresterie are the golfers home away for home, everything is simple and unique, the services are exclusive because staff take an exceptional care of each guest during their stay. All the services are tailor made even before your arrival: you can book a luxury villa for your family or with your friends with a private chef and 24 hours butler services or you can just book your favorite room at Foresteria della Colonna, facing the famous dogleg of hole number 5, or one of the four rooms of the iconic Foresteria degli Ulivi.

Is Arenas Private Golf and Foresterie Boutique Resort has one of the most impressive beaches of Sardinia. Is Arenas Golf Beach Club is a private area equipped with sunbeds and umbrellas reserved for our guests along the five kilometres of beach between the Is Arenas forest and the Mediterranean sea.

At Is Arenas Private Golf and Foresterie Boutique Resort you can experience a wonderful holiday between golf and sea. During your holidays you will never use the car, you just move around the resort with your personal golf cart indifferently to play golf or move around the resort to reach the Foresterie Golf Boutique Resort, the Is Arenas Golf Beach Club and the golf private restaurant «Bistrot degli Ulivi».

The menu of «Bistrot degli Ulivi» tells you the story of the oldest traditional Sardinian recipes strictly prepared with local ingredients. Guests are welcome to have cooking lessons with our chef.

In the surrounding area we have excellent wine and spirits producers, they all won prestigious Vinality prices

and we can organize for you wine tasting experiences. The surrounding area is full of history, witnessed by the presence of valuable archeological sites. There are many turistic itineraries which allow to discover, within a few hours or a full day, a fantastic heritage of culture, places, views and customs. The resort is located on the central west coast of Sardinia island and it is easily reachable from Cagliari, Alghero and Olbia airports. LODGING

FORESTERIA DEGLI ULIVI

Inspiring glamour and subtle sophistication Is Arenas Golf Foresterie are hidden among a canopy of trees, each featuring open-plan interiors, verandas, patios and terraces adding to the feeling of being enveloped by an ancient forest. Foresteria degli Ulivi is an intimate hideaway hosting four double bedrooms in an exclusive villa surrounded by a beautiful olive trees garden.

The iconic Foresteria degli Ulivi is built with precious local materials. The warm color of the stonewalls, built following the ancient tradition «a secco», is inspired by the local sand dunes. The tiles that decorate both floors and walls are locally handcrafted. The furniture is handmade in local chestnut hand curved wood and the interiors are beautify by design elements made with wood recovered from the seashore. The building has many indoor and outdoor living spaces and each room has its own unique layout. Guests can choose between a large double bedroom facing a terrace with direct access to the garden, a junior suite with a large private terrace at the first floor, the family suite with its two interconnected bedrooms and a small «cosy room» at the ground floor.

A tasty breakfast buffet of local fine food, with homemade confitures, biscuits and cakes is served every morning in the dining room or in the main veranda depending on the season. The «Bistrot degli Ulivi», the small private golf restaurant located at Foresteria degli Ulivi, offers to its guests memorable lunch and dining experiences. Every night you can choose your preferred patio where you can enjoy a candlelight dinner in front of the enchanted garden lightened by the moon just for you and few guests more.
